Re: Climate Change Initiative

Dear Dan:

The Westport MAC supports the County's effort to seek ways to address Climate Change. We share your concern about this topic and appreciate your efforts to address it with initiatives such as County promotion of greater use of renewable electrical energy.

Our Council would like to receive future notices about the County Climate Change initiative. We look forward to contributing ideas to the Board and the Ad Hoc Committee as proposals are developed. You can reach our Council at WMAC95488@wildblue.net or (707) 964-7272.

Sincerely,

A handwritten signature in blue ink that reads "Thad M. Van Bueren".
